“ Very sorry for the loss of your mother. I remember when I first met your mom, that was over 30 years ago when she became my sister-in-law. I was only 16 years old at the time. I remember your mom as being very pretty, she always had a good sense humor, and she gave me lots of good advice in my younger years. She liked to talk so we would have amany conversations about every subject. She will be missed by all.
