“ Troy, Chad, Heather and your families,
You have our deepest sympathy. You were once neighbors of my Mom and Dad (Leonard and Rosella Ebert) when you were growing up. My mother had also worked with your Dad at Diana Manufacturing.
You will be in our thoughts and prayers.

“ Frapps was quite a character. A pretty good athlete too. I played softball with him where he was a very good hitter especially for power. I also played basketball and golfed with him many times. His sense of humor was unique.
